Rebuilding Together Atlanta COVID-19 Response

As an organization, Rebuilding Together-Atlanta is committed to ensuring the safety of our communities and neighbors. In a time of uncertainty, Rebuilding Together Atlanta is taking measures to ensure the safety of the neighbors we serve, contractors, staff and volunteers.

Due to the ongoing spread and unknown threat of the coronavirus (COVID-19), **Rebuilding Together Atlanta has made the difficult decision to postpone all rebuild and remodel events scheduled for the months of April and May.** While it is heartbreaking to have to postpone our rebuild projects, the safety and wellbeing of our neighbors and volunteer is and will always be of utmost importance.

During this time, all internal repairs and home visits will be suspended. We will continue with exterior repairs and work scopes if they can be accomplished without risk of exposure for our contractors, staff and homeowners

Rebuilding Together Atlanta will continue to support homeowners by providing check in phone calls and referrals to community resources if needed.

The decision to postpone events and services will not affect the status of any homeowner applications or applicant's placement on the waiting list. Homeowners will be notified when both home previews and repairs will resume.

At this time, this decision will not affect any Rebuild events scheduled beyond May 31, 2020. Volunteers and corporate sponsors of postponed events will be contacted to select a new date for the project.

The Rebuilding Together Atlanta Board of Directors and staff will continue to closely monitor the spread of the virus. Homeowners, volunteers and sponsors will be contacted with any regarding additional restrictions and updates.

Please do not hesitate to contact us with any questions regarding this update. You can contact RTA directly at info@rebuildingtogether-atlanta.org or 404-505-5599.
